Grant Application

Bart's Blue Star Foundation's mission is to support families, children, and adults working with children seeking support through programs that promote social-emotional growth, and the development of emotional intelligence and strategies for keeping families connected during times of loss, separation and traumatic life events.

Our primary goal is to assist not-for-profit organizations that are implementing Conscious Discipline® in the communities they serve. We do not provide direct support for instructors, nor do we conduct programs. The goal of our grant funding is to support the programs being conducted by viable entities.

We are recommending that you employ Conscious Discipline Certified instructors to provide the stated training and coaching you are seeking. All certified instructors are posted on the consciousdiscipline.com website with their contact information.

All applications are due by April 15, 2023
